

***CORRECTION:  
Unorganized Territory Annexation into the  
Peoria Unified School District No. 11 Public Meetings***

The Maricopa County Superintendent of Schools' Office received notification from the Arizona Department of Education that certificates of educational convenience (CECs) issued to the Peoria Unified School District No. 11 has exceeded 150 students. Pursuant to A.R.S. §15-445, the county school superintendent shall identify adjacent school districts that accept at least 25% of open enrollment or CEC students from the unorganized territory and that are willing to accept the unorganized territory into the existing school district. Peoria Unified was identified as the sole district meeting the qualifications; therefore, the boundaries of the district shall be reestablished to include the unorganized territory without an election.

Our office must reestablish the boundaries of the school district, taking into consideration communities of interest and excluding Indian reservations and other federal lands where reasonable to do so. We must conduct at least two public meetings at which public testimony is heard and questions are answered. *It is the intent of the Maricopa County Superintendent of Schools' Office to annex a portion of Youngtown into the district; no part of Sun City will be annexed.*

**The public meetings are scheduled for 10:00 a.m. – 12:00 p.m. and 7:00 p.m. – 9:00 p.m. on **Wednesday, June 23, 2010**. Both meetings will be held at the Youngtown Town Clubhouse located at 12033 Clubhouse Square, Youngtown 85363. Residents unable to attend one of the meetings may submit written testimony to the Maricopa County Superintendent of Schools at 4041 N. Central Ave., Ste. 1100 Phoenix, AZ 85012 no later than **Thursday, June 24, 2010**.**
